Victoria Park RSL Centenary

In April 2018 the Victoria Park RSL Sub Branch will have been looking after those who have served and their families for a century. This is a momentous milestone—to be both celebrated and revered.

The generations of servicemen, volunteers, and supporters who have worked tirelessly in the interests of veterans and their loved ones have our nation's highest admiration and respect.

The comradeship, fellowship and sense of belonging provided by Victoria Park RSL and its famous Gurney Bar is an inspiration to RSLs around the country—and shows the great contribution the movement makes to veterans and the nation.

Moving forward the RSL needs visionary leadership of the absolute highest calibre and integrity. I have every confidence that Victoria Park RSL will continue to look after servicemen and women and their loved ones and, as always, continue do the entire RSL proud.

Congratulations on 100 years of service and support to so many.
